

Origin of the Trust

The D'Oyly Carte Charitable Trust was established in 1972 by Dame Bridget D'Oyly Carte as a grant-making charitable trust to support her personal interests (other than The D'Oyly Carte Opera Company). Since her death in 1985 the Trustees have continued to uphold the aims, interests, and values of Dame Bridget whilst adapting to the changing needs of the modern charitable world. Dame Bridget was the grand-daughter of Richard D'Oyly Carte who founded the Savoy Theatre in 1881 and then the Savoy Hotel in 1889 and the last member of the D'Oyly Carte family.

Applications for Grants – How to apply

Applicants must be UK Registered Charities, operating in the UK for the benefit of UK residents, and the organisation's annual returns to the Charity Commission, the Office of the Scottish Charity Regulator or the Charity Commission for Northern Ireland must be up to date. You can check your charity's record on www.charity-commission.gov.uk (England and Wales), www.oscr.org.uk (Scotland) or www.charitycommissionni.org.uk (Northern Ireland) by entering the registered charity number into the 'Search for a Charity' box.

Applications are made online through the Trust's website www.doylycartecharitabletrust.org. Please read the guidance on completing the application form which can be found on the **How to apply** page. However if online application is difficult for you, and you would like to receive the application form in a more accessible format, please email info@doylycartecharitabletrust.org.

The Trust makes grants which are usually in the range £500 - £6,000 and there are three grant-making meetings held annually which normally take place in March, July, and November. The majority of the Trust's grants are single grants over a one-year period. The Trustees will consider applications for core costs or projects.

Charities in receipt of single grants in three consecutive years may reapply to the Trust after three years have passed since the date of their last grant.

Next Grant-making meeting

The next grant-making meeting will be held on 15th March 2023 and the outcome will be notified to all applicants shortly thereafter.

The deadline for applications for this meeting is 8th February 2023.

The Trustees seldom join in major fundraising campaigns or capital projects, preferring to direct their donations to those charities where their contribution will make a major difference. The Trustees favour small-scale, locally based initiatives.

Future Funding Priorities

Notwithstanding the overall charitable objectives of the Trust, the Trustees are continually developing their policies, objectives and guidelines within the terms of the Trust Deed dated 14th December 1972 and have determined that their priorities for support for the three years 2021-2023 will focus on:

The Arts

- Promotion of access, education, excellence, and diversity in the arts with emphasis on choral singing for children and young people to encourage recruitment into choirs
- Performance development opportunities in the performing arts for those in the early stages of their careers, encouraging involvement in the community through performances and workshops for the benefit of those with special needs and those who would otherwise have no opportunity to hear or participate in a live performance
- Support for charities seeking to engage with, and inspire, young people on the fringes of society through music and drama projects to improve their employability and diminish the risk of social exclusion

Medical Welfare

- Provision of music and art therapy to improve quality of life
- Support for charities concerned with alleviating the suffering of adults and children with medical conditions who have difficulty finding support through traditional sources
- The welfare of those who care for others through the provision of breaks for carers and projects and schemes that allow young carers to enjoy being children

The Environment

- Conservation of the countryside and its woodlands, with emphasis on the encouragement of voluntary work and active involvement in hands-on activities, particularly activities that bring about positive changes in the lives of young people and help them to experience the value of nature
- Rural crafts and skills in heritage conservation, with emphasis on increasingly rare skills that would otherwise be lost
- Social and therapeutic horticulture: projects that use gardening or other environmental activities to bring about positive changes in the lives of those who are living with disabilities or ill-health

For projects working with children and young people, or vulnerable adults, it is the applicant charity's responsibility to have correct and up to date policies and procedures in place.
